where NURSING, MINISTRY & CATHOLIC MISSION meet

Nurture Your Faith. Strengthen Your Calling. Connect with Community.

The National Association of Catholic Nurses, USA brings together nurses who share a commitment to Catholic values in healthcare. We support and inspire one another to uphold moral principles, grow professionally, and integrate faith into everyday practice.

Through education, spiritual formation, and advocacy, NACN-USA equips nurses to care for the whole person—body, mind, and spirit—while serving both the Church and the broader community.

When you join NACN-USA, you become part of a national network of Catholic nurses and International Catholic nurses (CICIAMS) encouraging one another, sharing wisdom, promoting Catholic principles and teachings, and giving voice to faith in healthcare.

Membership Benefits.

- Spiritual nourishment
- Ethical guidance and insights
- Resources for today's healthcare challenges
- Quarterly newsletters and updates
- Educational events
- Leadership opportunities at the national level
