Call for Abstracts 2017:

Plus Participation in Round Table & Group Work Sessions
Call to begin October 1, 2016 through June 30, 2017

The Summit provides a venue where Catholic Nurse Leaders are exposed to current information, research findings, and practical tools to prepare for and respond to challenges facing Catholic Nurses, our patients, and our communities. The vision behind the Summit is to explore pressing issues now facing Catholics Nurses and vulnerable patient populations in our parishes throughout our nation. Topics/Action Plans to address 1) Surging rate of Veteran Suicide 2) Over medication from pre-birth to pre-death 3) Nursing approaches to non-pharmaceutical pain /stress management consistent with Catholic teachings.

Conference objectives:

1. Explore best practices designed to strengthen the mental and spiritual health of soldiers returning from military service to offset the surging rate of veteran suicide in our parishes / communities. (What can we do in our parishes?)
2. Discuss the role of the nurse in countering over medicating pre-birth to pre-death.
3. Analyze nursing programs for pain and/or stress management consistent with Catholic teachings.
