## Family Nursing through the Lifespan – A Catholic Perspective

### OBJECTIVES:

Explore the challenges to family health across the lifespan from the perspective of the Catholic faith.

Discuss the role of the nurse in promoting Catholic faith based coping strategies for family health challenges.

Analyze nursing interventions to address the health challenges of families across the life span that are consistent with the Catholic faith.

*This activity has been submitted to the Missouri Nurses Association for approval to award 6 nursing contact hours. The Missouri Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.*
