

NATIONAL ASSOCIATION OF CATHOLIC NURSES – USA
ANNUAL CONFERENCE
The ART OF NURSING: BEYOND TECHNOLOGY
MARCH 21-23, 2014
NASHVILLE, TN

WELCOME TO MUSIC CITY

Whether you are coming to Nashville for the first time, or are a return visitor to the Music City, you have a treat in store. Nashville's connection to music is unequalled, and its reputation as Music City has been consistently proven for over 200 years. Welcome to the city where music is written, recorded and performed every single day.

As with the conference the planning committee, has created a program that will explore the emerging trends and the moral challenges inherent in healthcare today, specifically for Catholic Nurses. I hope you discover many magical opportunities to learn, collaborate, network and have fun at this year's conference

CONFERENCE OBJECTIVES

1. Examine the nursing issues related to the interface of caring and technology in light of moral teaching.
2. Describe methods to assist nurses and patients when they experience moral conflicts with a pro-view of life in the health care setting.
3. Explore the role of the nurses in the current health care climate and health care systems.
4. Discuss ways that the nurse can influence health policy on the national and state level as well as within their own employment setting.

NURSING ACCREDITATION

This activity has been submitted to the Missouri Nurses Association for approval to award 6 Nursing contact hours. The Missouri Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
