

FAMILIES AS CARERS OF THE ELDERERS IN PAN AMERICA

Alma Q. Abuelouf, BSN, RN

Director Pastoral Life Ministries

Catholic Diocese of Memphis, TN USA

Immediate, Past President

National Association of Catholic Nurses-USA

GRAYING POPULATION

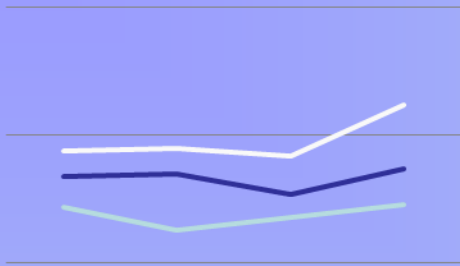

The global share of older people (aged 60 years or over) increased from 9.2 per cent in 1990 to 11.7 per cent in 2013 and will continue to grow as a proportion of the world population, reaching 21.1 per cent by 2050.

Globally, the number of older persons (aged 60 years or over) is expected to more than double, from 841 million people in 2013 to more than 2 billion in 2050. Older persons are projected to exceed the number of children for the first time in 2047.
