### **Transportation Information**

Taxi or UBER are available at the airport and provide easy access to hotel for a reasonable price. San Antonio can also be reached via bus or train, but transportation to the hotel is harder to find with less frequent availability.

Unless you are interested in traveling outside of San Antonio, a car is not necessary. Access to major theme parks (SeaWorld, Six Flags Over Texas, Splash Town) and the caverns have bus options. If desired, make arrangements for car rental before arrival to assure availability of the type, size, and cost you want. Remember: August is a top tourist time in San Antonio, and outside temperatures usually range from 90 degrees and upwards in daytime to mid-70's degrees and upward at night!!!

Hotel parking is available for \$20/day (*price may change*)
