

SPONSORSHIP OPPORTUNITIES

2022 World Congress of Nurses

August 2-4, 2022

The National Shrine of our Lady of Czestochowa, Doylestown, PA

Hosted by National Association of Catholic Nurses, USA

The World Congress offers a variety of opportunities to showcase your business, organization or apostolate. As a sponsor, you will also help to make our event a possibility for Catholic Nurses throughout the world that suffer from poor wages, lack of equipment and harsh working conditions.

As a group of professional nurses, our team has been elevated by the fiscal guidance of the Catholic Foundation of Greater Philadelphia (CFGP) who are assisting with managing our financial goals for this world gathering of Catholic Nurses. Thank you in advance of your support.
